Inactive Hold Process Discussion

ICC Codes on Inactive Clubs

- “The ICC shall freeze the account of a club made inactive. The funds will revert to the ICC Scholarship account #44-4310 (75%) and to the ICC Account #44-4320 (25%) if the club remains inactive for a period of one calendar year from the date that club was made inactive. Under no circumstances will the funds be returned.”
 - [ICC Codes](#): Article XI, Section 2.E, page 20

Impact of COVID-19 Pandemic

- ICC paused this process in Spring 2020
- No funds have been moved due to inactivity since
 - Only reactivating and starting new club accounts
- No new funds added to Scholarship account due to this pause and cancellation of fundraiser events (ICC Dance)
 - Working to create fundraiser opportunities, but scholarship details due to Financial Aid soon

Motion Proposed by the ICC

- "Move to resume Inactive Hold process at the end of Fall quarter 2022. Inactive Clubs will have until the end of the quarter to reactivate. Club funds already in the Inactive Hold Account would be moved, 75% to the ICC Scholarship account and 25% to the ICC Fund 44 Account. Active club accounts for clubs considered Inactive by the end of Fall quarter would be moved to the ICC Inactive Hold account for up to one year."
 - Proposed in 10/19/2022 ICC Rep Meeting

What this means

- All existing club funds currently in the [Inactive Hold account](#) would be moved permanently to the ICC Scholarships and ICC Fund 44 Accounts (75% and 25% respectively).
- All clubs listed here went Inactive between July 2019 and February 2020 - before the COVID pandemic shut down our campus.

What this means

- All existing club accounts in the [Fund 44 list](#) that are for clubs that are considered Inactive by the end of the quarter - that is, have taken no steps to start the club reactivation process - would be moved to the Inactive Hold account
- They will stay listed here for one full calendar year from the date funds are first moved, and are available for reactivation from this Hold account

Last Considerations

- ICC would continue working with clubs on a case-by-case basis
- ICC will send direct communications to club and advisor emails on file for recently Inactive clubs to assess specific situations and whether more times is needed
- Variation across clubs - some have just been waiting for in-person meetings to be allowed, some have former advisors no longer working with the district
- The proposed motion can be amended before being voted on!

Some Possible Motions

- "Move to resume Inactive Hold process at the end of Fall quarter 2022. Inactive Clubs will have until the end of the quarter to reactivate. Club funds already in the Inactive Hold Account would be permanently moved, 75% to the ICC Scholarship account and 25% to the ICC Fund 44 Account. Existing club accounts for clubs considered Inactive by the end of Fall quarter would be moved to the ICC Inactive Hold account, where they would be available for reactivation for up to one calendar year."
- "Move to partially resume Inactive Hold process at the end of Fall quarter 2022. Inactive Clubs that were named Inactive between July 2019 and February 2020, which are in the Inactive Hold Account, will have until the end of the quarter to reactivate. Club funds still in the Inactive Hold Account by November 30th would be permanently moved, 75% to the ICC Scholarship account and 25% to the ICC Fund 44 Account. The pause will remain on accounts for recently Inactive Clubs to be reassessed at (*Winter quarter 2023/end of current academic year/other date*)."
