| | <p>(b) The governing board of a community college (Local Education Agency) in consultation with an affiliated State or Nationally Approved Apprenticeship Training Program may provide policies that can authorize a person to serve as an apprenticeship instructor to teach a credit course in unusual circumstances. Unusual circumstances include:</p> <p>(1) A shortage of qualified instructors that would impede providing classes to students (apprentices) in accordance with the education plan adopted by a Division of Apprenticeship Standards approved programs.</p> <p>In these unusual circumstances an instructor would be required to have six years of occupational experience in the subject matter area to be taught, a journeyman's certificate in the subject matter area to be taught. Each instructor teaching under this unusual circumstances provision would be required to have an education plan that satisfies any of the requirements subsection (a) above.</p> | <p>The CAC proposed subdivision (b) was deleted.</p> |
