## Recruitment Plan for the Centers: Outreach to Deans and Department Chairs

---

A letter to division deans and department chairs went out last week explaining the Village Centers and asking for some time at each of the next division or department meetings to share information about the village centers, their purpose and faculty involvement.

Everyone: Start Here with  
Onboarding

Employee PGA Modules

Student Ambassador Training  
Modules

Village Schedulers

Reserve a Village Center

# Plan and Recruitment for Village Program Planning

---

We are creating Village Program Planning (VPP) Teams of up to four members each. Members will develop, plan, and implement that village's (in-person and virtual) activities. Each team member will spend a minimum of 18 hours a quarter and will earn one (1) quarter unit of PGA for that quarter. The first activity will be offered by week six of the quarter and the second activity will be offered by week 12 of the quarter (preferably week 11 unless the nature of the activity requires it to be held during week 12). The team members will meet at least bi-weekly to achieve the goals of the village events. Team members are required to participate in an initial training session.

# Outreach and Recruitment for Enrollment Day

- What: A Recruitment Event--new students apply, complete their orientation, and take a tour of the campus.
- When: Enrollment day is April 29 from 9:00am to 1:00pm
- Who: In conjunction with Outreach, Guided Pathways will be staffing Village tents; think of a smaller Welcome Day event.
- Where: The main quad and in the Village Centers, which have been added to the tours, so we need people to staff those centers in the later half of the day.
- How: With the aid of volunteers like you! Please consider coming to campus to help with this event. Also, please reach out to faculty and staff to recruit others! The most help is needed from 11:00 to 1:00.

# Good of the Order
